# Magnetic Drive Dispense Pumps

**COMPACT AND RESISTANT**

**893-03, 893-04, 893-05, 893-06, 893-07, 893-08, 893-09, 893-010,**

893 pumps are compact and extremely reliable magnetically driven pumps for use in situations where space is at a premium. 893 pumps have been designed with hot water dispense and chilled water re-circulation, applications in mind.

## FEATURES

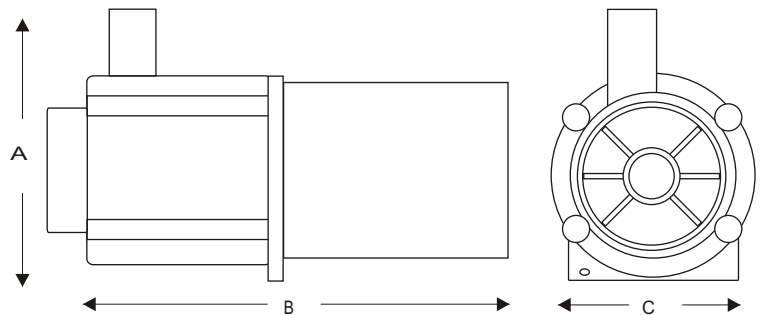

- A magnetically driven pump.
- Manufactured from resistant plastics and stainless steel.
- Available with a range of 12 or 24 volt DC motors.
- No drive seals.
- Thermal barrier between motor and pump chamber.

## BENEFITS

- Will fit into confined spaces.
- Will withstand temperatures up to 90°C .
- Minimal heat transfer from the motor into chilled liquids.
- Extremely quiet.
- Reliable and long lasting.
- Easy to service.
- Manufactured from food grade materials.

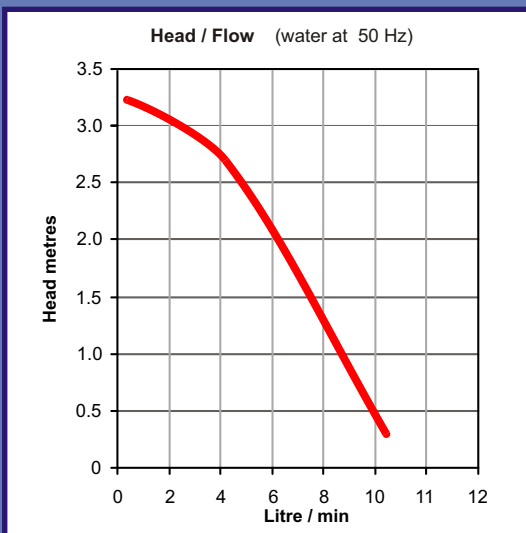

## Specifications

Dimensions in mm not to scale specifications are subject to change

| Model         | Dimensions mm |     |    | Volts | Type                  | Motor | Amp  |
|---------------|---------------|-----|----|-------|-----------------------|-------|------|
|               | A             | B   | C  |       |                       |       |      |
| <b>893-03</b> | 66            | 130 | 72 | 12    | Brushed Open          |       | 0.90 |
| <b>893-04</b> | 66            | 130 | 72 | 12    | Brushed Submersible   |       | 0.90 |
| <b>893-05</b> | 66            | 130 | 72 | 24    | Brushed Open          |       | 0.45 |
| <b>893-06</b> | 66            | 130 | 72 | 24    | Brushed Submersible   |       | 0.45 |
| <b>893-07</b> | 66            | 130 | 72 | 12    | Brushless Open        |       | 0.90 |
| <b>893-08</b> | 66            | 130 | 72 | 24    | Brushless Open        |       | 0.40 |
| <b>893-09</b> | 66            | 108 | 72 | 12    | Brushless Submersible |       | 0.90 |
| <b>893-10</b> | 66            | 108 | 72 | 24    | Brushless Submersible |       | 0.40 |

Inlet Port: 3/8" FPT  
 Outlet Port: 3/8" OD  
 Wetted Components: Noryl, ceramic, Teflon, Stainless Steel, Buna  
 Motor Power: 11 Watts
